

Ski Sundown Safety Guidelines and Helpful Hints

Clothing

- Be prepared for the weather. It may be warm where you go to school, but it gets colder after dark, especially on the mountain!
- Mark clothing clearly with your name. If an item is lost, check Lost & Found in the Ski Shop above Rentals. There is also a form on our website to report any lost items.

Equipment

- Mark equipment clearly with your name to prevent your items from getting lost or stolen. If an item is lost, check Lost & Found or report item lost through the form on our website.
- Skis and Snowboards belong in racks. Pick a place on any rack and try to use it every time so that it becomes routine. Do not leave equipment laying in the snow.
- If you have your own equipment, make sure you can put it on/off without assistance. Also, try on your boots and make sure they fit.

Know the Mountain

- Know the Trail Signs: Green Circle = Easier, Blue Square = More Difficult, Black Diamond = Most Difficult, Double Black Diamond = Extremely Difficult
- Do not go on trails marked above your ability
- Avoid snowmaking equipment on the trails
- Understand that conditions vary according to the weather and time of day
- Be aware that grooming will occur anytime between 6 and 7pm nightly. Stay clear of grooming equipment on the mountain.
- DO NOT SKI UNDER ROPES MARKING A CLOSED TRAIL

We are a Community

- As a community of skiers and snowboarders, watch out for each other. Keep each other safe.
- Don't try to convince your first-time skier/rider friend to go on terrain that is too difficult for them.
- Your most important piece of safety equipment is your brain. Use it.
